

LEAVE A GIFT IN YOUR WILL TO THE NATIONAL THEATRE OF SCOTLAND

WE ARE ...

... SCOTLAND'S NATIONAL THEATRE

We tell stories that need to be told.

... A THEATRE WITHOUT WALLS

We take our work to wherever audiences are to be found.

We showcase Scottish culture at home and around the world, telling stories in ways never seen before.

... A THEATRE FOR EVERYONE

We want to break down the walls that prevent people from engaging with our work, whether economic, cultural or physical.

... A CREATIVE CATALYST FOR THE THEATRE SECTOR IN SCOTLAND

Driving joined up talent development plans with partners across Scotland, to nurture theatre makers at all stages of their careers and reflect the diversity of contemporary Scotland.

... ACROSS SCOTLAND AND BEYOND

On the ferry and in the local pub. In the forests and tower blocks. In submarines and swimming pools. On the biggest stages and in the smallest community halls.

A Message from Jackie Wylie

Thank you so much for considering supporting the National Theatre of Scotland with a gift in your Will.

We are a registered charity, core funded by the Scottish Government but also dependent on the generous support of our donors to maximise the work we do across the country.

With the support of our National Theatre of Scotland donors, we can continue to sustain, innovate and evolve the art form, keeping theatre relevant for new audiences within an ever-changing cultural landscape, upskilling and nurturing new generations of artists, futureproofing the Company and its infrastructure.

Your gift could pave the way for future generations of theatre makers, audiences and participants across Scotland. It could provide an emerging writer's all-important first commission, enable an international tour for the next Black Watch or James Plays, support bringing theatre into schools in all corners of Scotland, or provide the opportunity for disadvantaged people of all ages to experience theatre for the first time.

In the 15 years since we began, we have commissioned 122 new plays, created over 420 productions and toured to 720 venues in 95 cities, 117 towns, and 158 villages across Scotland and internationally. We have also hosted over 11,000 participatory workshops, allowing more than 160,000 people, from all walks of life, to get involved with our work.

With your support, there's no limit to what we could achieve in the years to come.

Jackie

BECOMING A NATIONAL THEATRE OF SCOTLAND LEGACY DONOR

A gift in your Will costs nothing in your lifetime and ensures that we can continue to represent the diversity of Scottish society by breaking down the barriers that prevent some people from participating in the arts and fulfil our responsibility to nurture Scotland's creative talent. All you need to do to leave a gift is give your solicitor our Charity Number and tell them how much you would like to give.

By pledging even 1% to the National Theatre of Scotland in your Will, you can make a significant difference in our ability to reach audiences and artists across Scotland and beyond for years to come.

OUR LEGACY PROMISES TO YOU

1. We absolutely recognise that your loved ones come first and will never put pressure on you to give a gift in your Will.
2. We will never require you to tell us your intentions or tell us the size or type of gift if you decide to support our work this way, but if you do tell us your intentions then we are able to thank you, which we'd love to be able to do.
3. We fully understand that personal circumstances change and there may be a time when you must take us out of your will.
4. We promise to use your gift wisely and effectively and if you want it to be used for a particular purpose, please let us know and we will honour your wish.

YOUR LEGACY WILL HELP US TO:

- Make excellent theatre and take it to everyone across Scotland and beyond
- Remove the barriers that prevent people from accessing theatre
- Nurture, support and develop Scottish theatre makers
- Lead and support the Scottish theatre sector, collaborating and co-producing with Scottish theatre companies and taking theatre productions to venues across the country
